Dear Educator,

In this set, students will sort colors, count manipulatives, strengthen fine motor skills and follow directions. These activities are all hands on so there are no worksheets involved. Students will also work with Fall themed vocabulary (ex. acorn, pumpkin, etc.). This set includes six different center options with 8-10 cards for each center. I would print on cardstock and laminate for longevity. If you have any questions, email me at [kreativeinlife@gmail.com](mailto:kreativeinlife@gmail.com).

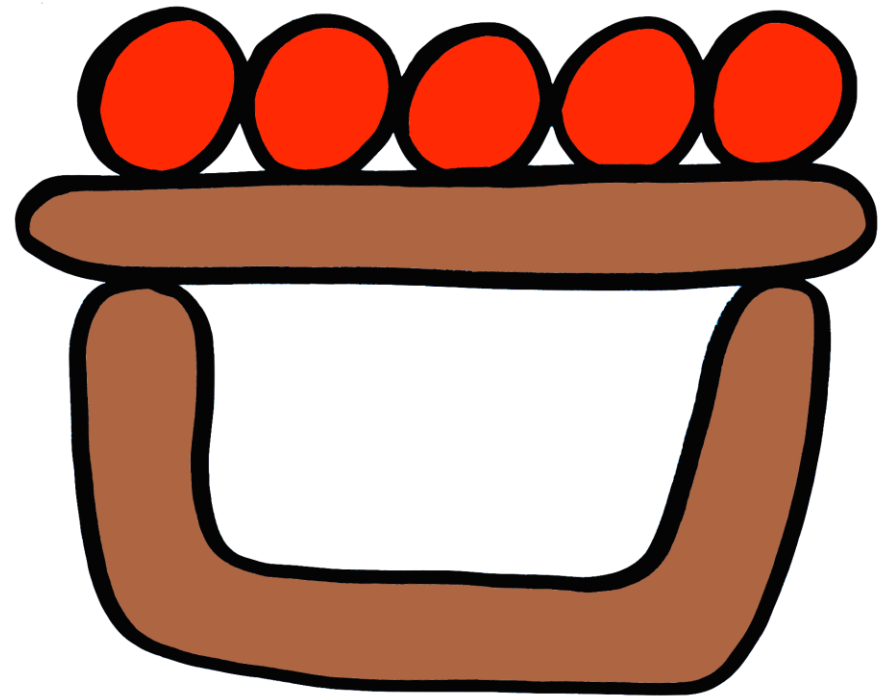

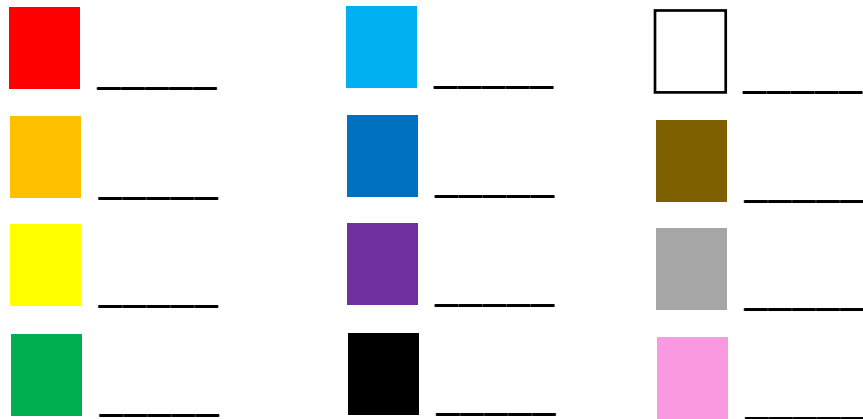

Happy teaching,  
Crystal
